Honorable Commissioner of  
Patents and Trademarks  
Washington, DC 20231

Sir:

Marketing applicant has been advised by the Food and Drug Administration via letter dated October 23, 1991 that approval for ORCOLON (P900010) was being suspended. Although marketing applicant intends to respond and expects the suspension to be lifted, the fact of the suspension is brought to the attention of the Commissioner of Patents and Trademarks and the Secretary of Health and Human Services for appropriate action in this extension application. This paper is submitted in duplicate.

Respectfully submitted,
